EFFECTIVE DATE: December 27, 2018

**STATE OF MICHIGAN
99TH LEGISLATURE
REGULAR SESSION OF 2018**

Introduced by Rep. Lower

ENROLLED HOUSE BILL No. 5955

AN ACT to limit the authority of political subdivisions to impose licensing regulation.

The People of the State of Michigan enact:

Sec. 1. This act shall be known and may be cited as the "local government occupational licensing act".

Sec. 2. As used in this act:

- (a) "Licensing" means any training, education, or fee required for an individual to perform work in a specific occupation in a political subdivision, in this state, or in any other governmental unit in this state. The term includes registration.
- (b) "Licensing authority" means an agency, examining board, credentialing board, or other office of a political subdivision or other governmental unit that has the authority to impose fees or other licensing requirements on an individual as a condition to performing work in a specific occupation in that governmental unit.
- (c) "Political subdivision" means a city, township, village, or county of this state.
- (d) "Registration" means an authorization to use a designated title while performing work in a specific occupation in a political subdivision, in this state, or in any other governmental unit in this state.

Sec. 3. (1) Beginning January 1, 2018, a political subdivision shall not impose any licensing requirements on any individuals who perform a specific occupation if the political subdivision does not already impose licensing requirements on that occupation. However, a political subdivision may continue to regulate any occupation that is subject to licensing requirements in that political subdivision before January 1, 2018.

(2) If an occupation is subject to licensing requirements imposed by the department of licensing and regulatory affairs or any other licensing authority of this state, a political subdivision of this state shall not impose any regulations on that occupation that add additional licensing requirements to those already imposed by the licensing authority of this state.

(3) Beginning January 1, 2018, if the department of licensing and regulatory affairs or any other licensing authority of this state imposes any new licensing requirements on any occupation that was previously unregulated by the state, and if the political subdivision has licensing requirements that regulate that occupation in effect at the time the new state licensing requirements take effect, the political subdivision may not continue to enforce its licensing requirements for that occupation on or after the date when the state licensing requirements take effect.

Sec. 11. This act does not apply to any licensing requirements that are subject to any of the following laws of this state:

- (a) Sections 221 and 235 of the skilled trades regulation act, 2016 PA 497, MCL 339.6783 and 339.6785.

ENROLLED SENATE BILL No. 47

AN ACT to amend 1898 PA 206, entitled "An act to provide for the assessment of rights and interests, including leasehold interests, in property and the levy and collection of taxes on property, and for the collection of taxes levied; making those taxes a lien on the property taxed, establishing and continuing the lien, providing for the sale or forfeiture and conveyance of property delinquent for taxes, and for the inspection and disposition of lands bid off to the state and not redeemed or purchased, to provide for the establishment of a delinquent tax revolving fund and the borrowing of money by counties and the issuance of notes; to define and limit the jurisdiction of the courts in proceedings in connection with property delinquent for taxes, to limit the time within which actions may be brought; to prescribe certain limitations with respect to rates of taxation; to prescribe certain powers and duties of certain officers, departments, agencies, and political subdivisions of this state; to provide for certain reimbursements of certain expenses incurred by units of local government; to provide penalties for the violation of this act; and to repeal acts and parts of acts," by amending section 27 (MCL 211.27), as amended by 2013 PA 162.

The People of the State of Michigan enact:

Sec. 27. (1) As used in this act, "true cash value" means the usual selling price at the place where the property to which the term is applied is at the time of assessment, being the price that could be obtained for the property at private sale, and not at auction sale except as otherwise provided in this section, or at forced sale. The usual selling price may include sales at public auction held by a nongovernmental agency or person if those sales have become a common method of acquisition in the jurisdiction for the class of property being valued. The usual selling price does not include sales at public auction if the sale is part of a liquidation of the seller's assets in a bankruptcy proceeding or if the seller is unable to use common marketing techniques to obtain the usual selling price for the property. A sale or other disposition by this state or an agency or political subdivision of this state of land acquired for delinquent taxes or an appraisal made in connection with the sale or other disposition or the value attributed to the property of regulated public utilities by a governmental regulatory agency for rate-making purposes is not

ENROLLED SENATE BILL No. 54

AN ACT to amend 1967 PA 281, entitled "An act to meet deficiencies in state funds by providing for the imposition, levy, computation, collection, assessment, reporting, payment, and enforcement by lien and otherwise of taxes on or measured by net income and on certain commercial, business, and financial activities; to prescribe the manner and time of making reports and paying the taxes, and the functions of public officers and others as to the taxes; to permit the inspection of the records of taxpayers; to provide for interest and penalties on unpaid taxes; to provide exemptions, credits and refunds of the taxes; to prescribe penalties for the violation of this act; to provide an appropriation; and to repeal acts and parts of acts," (MCL 206.1 to 206.713) by adding sections 266a and 676.

The People of the State of Michigan enact:

Sec. 266a. (1) Subject to the limitations under this section, a qualified taxpayer with a certificate of completed rehabilitation issued pursuant to subsection (4) after December 31, 2020 and before January 1, 2031 may credit against the tax imposed by this part the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certificate of completed rehabilitation of the historic resource is issued. The qualified taxpayer shall initially claim a credit under this section within 5 years after the certificate of completed rehabilitation is issued pursuant to subsection (4). If the credit is not initially claimed within 5 years after the certificate is issued, the certificate is no longer valid and the qualified taxpayer is no longer eligible to claim a credit under this section for that rehabilitation plan. Only those expenditures that are paid or incurred during the time periods prescribed for the credit under section 47(a)(2) of the internal revenue code and any related treasury regulations shall be considered qualified expenditures.

(2) Subject to the limitations under this section, a qualified taxpayer that has claimed and received a credit for qualified expenditures under section 47(a)(2) of the internal revenue code or has entered into an agreement under subsection (10) may claim a credit under this section equal to 25% of the qualified expenditures that are eligible, or would have been eligible except that the qualified taxpayer entered into an agreement under subsection (10), for the credit under section 47(a)(2) of the internal revenue code or, if the qualified taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, a person shall submit an application and a rehabilitation plan to the state historic preservation office. Completed applications must be considered in the order in which the office received the completed applications and approved or denied within 120 days of receipt of the completed applications. If the office determines that the application is complete and the rehabilitation plan meets the criteria for a credit under this section, the office shall issue a preapproval letter to the applicant that states that the

ENROLLED SENATE BILL No. 337

AN ACT to amend 1970 PA 132, entitled "An act to provide for the filing of surveys in the office of the register of deeds relative to land divisions; and to prescribe the conditions of the survey," by amending sections 1, 2, and 3 (MCL 54.211, 54.212, and 54.213), sections 1 and 3 as amended by 2018 PA 198 and section 2 as amended by 1988 PA 24.

The People of the State of Michigan enact:

Sec. 1. (1) If a survey is made to describe a parcel for the division of a parcel as listed under sections 108 to 109b of the land division act, 1967 PA 288, MCL 560.108 to 560.109b, the grantor or lessee shall, at or before the time the property is conveyed or leased, record in the office of the register of deeds in the county in which the land is located a certified true copy of the original survey map that complies with section 3, unless the professional surveyor who prepared the survey has already done so.

(2) If a survey is made to describe a parcel in a conveyance of title to a parcel as created in a lease for a term of 1 year or longer, the grantor or lessor, at or before the time the property is conveyed or leased, shall record with the register of deeds in the county in which the land is located a certified true copy of the original survey map that complies with section 3, unless the professional surveyor who prepared the survey has already done so.

(3) The requirements of this act are in addition to those of the land division act, 1967 PA 288, MCL 560.101 to 560.293, land platted under that act, land surveyed under section 66 of the condominium act, 1978 PA 59, MCL 559.166, or land previously surveyed and recorded and for which no change in boundary description is made from a previously recorded survey, need not be recorded under this act.

Sec. 2. (1) A certified survey map shall meet the requirements of this section and section 3. A certified survey map must be prepared only by a professional surveyor licensed in this state.

(2) Except as provided in subsection (3), each corner of the survey shall meet all of the following requirements:

- (a) Be monumented in the field with a permanent marker that possesses a magnetic field unless previously monumented with iron stakes.
- (b) Be capped with a device legibly showing the last 5 digits of the license number of the professional surveyor placing the monument.
- (c) Include both of the following:
 - (i) Points of intersection of boundary or lot lines with highways, streets, alleys, section lines, and meander lines.
 - (ii) Corners of the United States Public Land Survey from which the parcel or parcels are described.
